*** Required**

Personal Details

Please help us serve you better

1.CONTRACTOR:

2. LICENSE NUMBER & CLASS

3. House owner name *

Enter First Name and Last name

4. House address *

Technical Details

5. AHJ *

6. Coordinates *

The value must be a number

7. Install Type *

8. Module Make *

9. Module Quantity *

The value must be a number

10. Inverter Make *

11. Inverter Quantity *

The value must be a number

12. Roof Type *

13.Attachment/Racking Make *

14. Attachment Spacing *

15. Rail make *

--

System Size

Enter Dc and AC values

16. DC *

The value must be a number

17. AC *

The value must be a number

Structural

18. Stamping required *

19. Type *

20. Rafter Size *

21. Roof Exposure *

22. Rafter spacing *

23. Roof Pitch *

24. Azimuth *

The value must be a number

Electrical

25. Stamping *

26. Utility Company *

27. Meter Number *

28. Main Panel Rating *

29. Main Breaker Rating *

30. IF MPU *

Enter Main panel Mode number

31. Sub-Panel Details *

32. Interconnection Point *

33. Interconnection Method *

34. Main Panel Location *

35. Sub Panel Location *

If this is the point of interconnection

36.AC Disconnect Required *

37. Is Production/Revenue Meter Required If yes, please give us the details of make & model *

38. Load Center Required If yes, please give us the details of make & model *

Please Email us the design layouts

39. Any other special notes or request that we should follow. *
